

Asociation „Loyola-Gymnasium“ – Prizren

Information

Publish date	End Date	Job place
01.10.2018	26.10.2018	Prizren

Asociation „Loyola-Gymnasium“ (hereinafter **ALG**) has been operating for over 14 years in the field of education with the objective of the sponsorship of learning and education of the highest quality, and thereby the support of young people in Kosovo. This includes the preparation of Kosovar youth to face European competition and their corresponding integration into the fields of education and science, as well as the promotion of an understanding of culture, science and art appropriate to their age group.

ALG has a new project on vocational education and training known as „Shkolla e Lartë Loyola Profesionale“. Therefore, ALG is announcing the following:

Call for expression of interest

ALG project „Shkolla e Lartë Loyola Profesionale“ invites anyone that fulfills the following criteria to submit the expression of interest to this call for **Trainer/Teacher of Mechatronics**.

Requirements and Qualifications:

- ✓ CV (in europass format);
- ✓ Master's degree in Mechatronics or Mechanical Engineering with transcript;
